PRESENTATION

Based in Lille since 2018, Series Mania - Lille / Hauts-de-France has become **the biggest event dedicated uniquely to television series in Europe**.

The festival offers exclusive world premieres of the greatest international series on the big screen, giving its audience - up to 72,000 spectators - 9 days of discoveries, parties and masterclasses with some of the most renowned personalities in the series world.

At the same time, Series Mania welcomes 3,000 French and foreign professionals of the TV industry at Series Mania Forum and Lille Dialogues summit. Two key events for networking and business that are now extended online with the creation in 2020 of Series Mania Digital Forum.

SERIES MANIA FORUM

Series Mania Forum packs **three days** with opportunities **for industry professionals** to pitch ideas and attend panels and networking events.

Producers, distributors, TV channels, executives, commissioners, platforms and screenwriters all gather at this event to create and finance the best series projects for the global market.

LILLE DIALOGUES

In partnership with the Hauts-de-France Region, the National Center for Cinema and the Moving Image (CNC), and the European Commission (Europe Creative MEDIA).

Lille Dialogues gather American and international decision-makers (network chiefs, distributors, producers, regulatory commissions) to discuss **the future of the audiovisual landscape** in a changing and competitive environment.

A-list political decision makers, top industry executives and CEOs meet and discuss about the most important topic in the industry.

67

High level speakers met since Lille Dialogues first edition in 2018: **Reed Hastings** (Chairman & CEO, Netflix), **Ted Sarandos** (Chief Content Officer, Netflix), **Charles Rivkin** (Chairman & CEO, Motion Picture Association of America), **Howard Rodman** (former President, Writers Guild of America), **Georgia Brown** (Head of European Originals, Amazon Studios), **Lorenzo De Maio** (Head of TV Advisory and Partner, Endeavor Content), **Gilles Pélisson** (CEO, TF1 Group), **Delphine Ernotte-Cunci** (CEO, France Télévisions), **Nicolas de Tavernost** (CEO, M6 Group), **Stéphane Richard** (CEO, Orange), **Franck Riester** (French Minister of Culture), **Andrus Ansip** (Vice-President of the European Commission in charge of the Digital Single Market), etc.
